

How do I find the Department of Social and Preventive Medicine at Finkelhubelweg 11?

- 1) Via the station concourse: On arrival in Bern by train, follow the mass of travellers down from the platform and to the center of the station concourse. Then take the escalator up to ground level and leave the station towards the bus/tram terminus.

- 2) Take the bus number 11 direction Güterbahnhof (1. plan note: Terminus) to the bus stop 'Inselspital' (2 stops).
- 3) From now on follow the attached plan ...

**A very warm welcome to the
Department of Social and
Preventive Medicine!**
